## MISSION

Our mission is to provide a challenging and supportive training experience in a community-based, outpatient behavioral health setting utilizing evidence-based approaches within a context of ecosystemic, trauma-informed, culturally responsive care. Interns develop skills in diagnostic assessment, treatment, psychological testing, and consultation assuming the role of a clinician and collaborating with systems that have an impact on the lives of the people we serve.

## APPLICATION REQUIREMENTS

1. Master's Degree Required
2. Cover letter
3. Curriculum Vitae
4. Two (2) References, at least one from a field training supervisor
5. Complete [LUK Application](#)
6. Send all materials to [Internships@luk.org](mailto:Internships@luk.org)

**Application Deadline:**  
**Monday, January 5<sup>th</sup>, 2026**

Candidates will be invited to interview with staff psychologists. At this time, we will likely continue to interview applicants via videoconferencing utilizing the Zoom platform.

*\*This program follows the PTC notification date. We will not offer our positions until this date. The 2026-2027 training season notification date will be:*

**Monday, February 9<sup>th</sup>, 2026**
